Dear Mr. Holder:

I am being held to serve a sentence under the guise of Criminal Contempt and Aggravated Harassment in a New York State prison for my grievances against local and state governmental corruption. Additionally, the New York State government has accused me of terroristic acts and of being associated with Al' Queda. You and I know that if these accusations were true, I would be locked away "under the ground", instead of in a medium-security state prison.

I contact you as a U.S. citizen requesting an investigation into unscrupulous organized government corruption against me. My heartfelt intentions are to inform you of malicious and unconstitutional violations committed against African-American students by John Jay College and the persecution by means of their "friends" in high places.

As one grieved, so to speak, I wish that your office can provide some mode of review. Enclosed with this letter are recently filed documents for state post-conviction relief. However, I believe that you will find some information befuddling, while other information to be disconcerting.

I would like to thank you in advance for reviewing the accompanying paraphernalia.

On this 16 day of July,
20 09, before me came _____,

Kevin Dozier
to me known to be the
individual described in and who
executed the foregoing instrument
and acknowledged that he executed
the same.

Yours truly,

Kevin Dozier
